To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Development Department, Bangalore.

Sir,

Re:- The withdrawal of the concession granted to the Govt. Book Selling Agents and Branch Depot keepers in returning or renewing the unsold stock.

I have the honour to state that in accordance with the rules in force at present, the Government Book Selling Agents and Branch Book Depot keepers are allowed to return to this Depot the unsold books, at any time before the expiry of three months from the date of issue, provided such books are at the time of return, in good saleable condition.

The Agents and Branch Book Depot keepers are allowed to renew the books also for a further period of three months on the authority of permission granted by this office provided such permission is applied for, in time (i.e.) before the expiry of the prescribed period of 3 months.

It is seen in actual practice that there are a large number of requisitions from almost all agents and Branch Book Depot keepers applying for permission either to renew or return the unsold books. Every time such applications are received in this office, the details such as the No. and date of the invoice relating to the supply, the No. and date of the letter granting such permission, if any, and the nature of books supplied etc., have to be verified before either accepting the returns or granting further permissio

Besides, it is also observed that in many cases the agents and Branch Depot keepers do not furnish the required information to verify the details.

This procedure has resulted in ~~having~~ heavy correspondence and extra work in the office.

In the case of Text Books published annually such as Kannada and Sanskrit Texts of the Middle School and the S.S.L.C., they are supplied to the Agents and Branch Book Depot keepers on "Non-returnable" basis only. If this procedure is extended to other books also (both Educational Departmental books as well as Official Publications), it will result in the Agents and Branch Book Depot keepers being careful to indent only for such quantity of books as are absolutely necessary and as could be readily sold by them and not for more stock as is now being done by some of them. To accept the unsold books and send them again to Agents and Branch Depot keepers when indented for, will not only involve ~~in the~~ heavy work nd damage to books by frequent transit but also extra cost by way f Railway freight and packing charges.

I am, therefore, of opinion that the present system of supply ng books on "returnable basis" and accepting the unsold books hould be stopped and that all the books should be supplied on Non-returnable basis only. This arrangement may be given effect o from 1st May 1941, after publication of the change in the rules n the English and Kannada Gazette.

I request the approval of Government for the above proposal.

To

SIR,

Subject:- Re. the withdrawal of the concession granted to Book Selling Agents and Branch Depot keepers ~~the~~ returning or renewing the unsold stock.

With reference to your letter No.G.11621/P.& S. 31-38-14 dated 16th May 1939 requesting to be furnished with a list of books returned by the Agents and Branch Depot keepers during the last 12 months, I have the honour to forward herewith a statement of unsold books returned by several Agents and Branch Book Depot keepers during the past 12 months, commencing from May ~~1939~~ 1938 to April 1939.

It involves a great amount of labour to furnish the names of books so returned by the Agents and Branch Depot keepers as the items of books are very ~~many~~ many, i.e. more than one thousand and hence the total value of the books returned by each Agent for each month has been furnished.

However, the work involved in accounting for the books so returned either while renewing or accepting their return, is very heavy as explained in my letter of 5th April 1939 and I, therefore, request the approval of Government for supplying ~~xx~~ all the books under non-returnable basis as requested in my letter of the 5th April 1939.
